

## Grant to Attend the VAFCS 2019 Annual Conference

**The Applicant:** Must be enrolled in an undergraduate FCS (Family and Consumer Sciences) college program. Amount of the grant will depend upon funds available. See VAFCS website ([www.vafcs-aafcs.org](http://www.vafcs-aafcs.org)) for state conference program and registration materials.

The Northern Region Planning Committee recognizes that undergraduate students may have financial constraints that prevent them from attending professional meetings. The contacts, content, and stimulation derived from the wide variety of conference programs and activities provide important experiences for pre-professionals majoring in Family and Consumer Sciences (FCS). This subsidy is offered to give a financial boost to students. This fund is available through the generosity of those individuals and organizations that donate to encourage student participation at professional meetings.

Only applications received by 12 Midnight on **Friday, February 15, 2019**, will be considered. *It is important that your application be accurate and complete.* After review of all applications you will be notified of the results. We wish you well and look forward to meeting you at the VAFCS Annual Meeting in Williamsburg, VA.
